Women of Grace Annual Luncheon

The Women of Grace will gather at J.J.'s Steak and Pizza House, 411 N. 2nd Ave., on June 15 for our annual luncheon beginning at 12:30 p.m. for our June meeting. Reservations must be made with Darlene Freel at 354-8866 or in church. We will not meet in July or August.

This year Charles Snyder and Linda Batchelor accompanied Pastor to the Synod Assembly held in Grand Rapids. It was a first time experience for Charles and Linda and they recommend others try it. Besides the fellowship and good food

they were able to take part in an event on Monday afternoon.

Charles went on a field trip to a homeless shelter. It is funded by five churches and various organizations in the community. He was impressed at how well it was managed. They offer different shelters for men and women and have house trailers to house families.

Linda spent the afternoon in a prayer workshop. Time was spent learning how to focus on prayer without letting your mind drift. The afternoon ended with communion.

In the business meeting the most important item discussed was the new budget. It was voted on and approved to increase the Synod's budget. Each church is expected to send 7% next year and 13% the following year. After 2009, the Synod decreased the staff and with this increase they will be able to increase the staff to what it was in 2009. Half of what we send goes to ELCA to help pay expenses and contribute to their charities.

Linda and Charles were grateful for the chance to represent Grace at the Assembly.

Questions

Why the changing of the Lord's Prayer, as during Lent?

During Lent, we used what is known as the ecumenical version of the Lord's Prayer. This one uses "forgive us our sins as we forgive those who sin against us" rather than "forgive us our trespasses as we forgive those who trespass against us."

There of course have been the two traditional variations, debts and trespasses. And of course I grew up with the "right" version, debts. ☺ But that never made sense to me as debts sounded so economic or financial. Nor did trespasses with that sounding so much about property.

Sins is a more recent translation that grew out of the work International Consultation on English Texts, a commission of many churches working together across denominational lines to update prayers and liturgy in English-speaking churches. I suspect if we asked the youth of today which version just makes sense to them, "sins" would have a sizeable response.

Debts was used in many historical versions of the prayer and biblical translations such as Wycliffe in 1389 and the King James Version in 1611. Trespasses was also used in many historic versions and traditions. Yet as with many words, the predominant contemporary meaning has changed over the centuries. I still remember my Old Testament Professor from seminary talking about the "hosts" of angels sounding like angels serving hors d'oeuvres rather than it historical meaning of armies.

If we look in the Lutheran Study Bible at the verses where the prayer occurs in Matthew 6:9 and following it's debts and debtors and Luke 11:2 and following it's sins and indebted.

In our current red hymnal, Evangelical Lutheran Worship, and even in the prior green hymnal, the Lutheran Book of Worship, "forgive us our sins as we forgive those who sin against us" is the first option listed, and thus the recommended.

Just because some thing is new or the recommended option doesn't mean it has to be used. I have personally found though that different words on occasion, like different translations of the Bible, makes me pause and really consider what I am saying rather than just repeating almost unconsciously what I know. Some times enough to hear with new ears and just maybe, just maybe, a new word and emphasis for me.

Blessings on your hearing of God's word. May it be life giving for you.

Pastor Tom

A big Thank You to all who helped with our Spring Clean-up recently. Much cleaning took place in the kitchen, social hall and sanctuary. Bricks in the driveway were replaced, bushes trimmed and brush removed, to name a few of the projects that were completed. We had a great turn out. Thank you all!

Keynote Speakers for 30 Days of Peace ~ September 22, 2016

Interfaith Amigos

Imam Jamal Rahman, Pastor Don Mackenzie and Rabbi Ted Falcon in their presentations share why interfaith dialogue is so critically important in our world, and how each of their Abrahamic traditions both support as well as inhibit that deeper dialogue. There will be 2 workshops during the day at Alpena Community College and an evening presentation at Beck Auditorium at the Alpena High School. Pastor Tom is working on the publicity and marketing for the event. **HELP IS NEEDED in lots of ways.** Interested? See him.

Bake Locally Act Globally

Grace Lutheran will have "Bread Weekend" on the 3rd weekend of each month.

We are asking the congregation to bake bread, any type, and bring it to the church on Saturday or Sunday, prior to the service. We will price the loaves. The bread will be sold to help raise money for the ELCA Hunger Relief Fund. We collected \$272.00 selling bread May 14 & 15. Thanks to all who baked and purchased bread! Our next "Bread Weekend" is June 18 & 19. If you have questions, please contact Phran Ludington, Joelyn Rich, Chris Christopherson, or Jeanne Pankey.

New Sponsored Child

I'M YOUR NEW SPONSORED CHILD!

Ishimwe Kevine Umulisa

Please note that Grace is no longer sponsoring Noella. Recently we received a letter from World Vision informing us that Noella and her family have moved out of Rwanda. We have sponsored Noella since 2007 so her name has become very familiar to us. World Vision says, "please know that your encouragement and support have forever changed Noella and she will not forget your acts of kindness". They ask that we continue to bless her by remembering her in your prayers.

Another precious child, Ishimwe Kevine Umulisa from Rwanda has been waiting and hoping for a sponsor. World Vision says "We've selected her especially for you because of the faithful commitment you've shown to building a better world for children". Ishimwe is a 10 year old girl who is in primary school and loves to play ball. She lives with her mom and has no brothers or sisters. She is growing up in a very poor area in Rwanda. The HIV and AIDS crisis has severely damaged the social fabric of entire communities, leaving many children without parents. Typically, families live in mud brick homes with tin or thatched roofs. In most areas the terrain is mountainous and green with a humid climate.

Our sponsorship commitment will help provide Ishimwe and her community with better health through training in nutrition and disease prevention, as well as access to water for washing. Children will benefit from new classrooms, desks, and better-trained teachers. And through our partnership with local churches, Ishimwe and other children will learn about the surpassing love of Jesus Christ.

**Remember, our Noisy Offering will be collected the 4th Sunday of each month.
Money collected helps those in need locally, statewide and globally.**

Seminary Sampler Request

Grace Lutheran Congregation,

I have been accepted to attend Summer Seminary Sampler at Trinity Lutheran Seminary in Columbus, Ohio. The two week session is entitled "Living and Serving in an Interfaith World". I will be doing service projects in the community as well as exploring my own faith through bible study and interactions with others attending the camp. I am sure this camp will help guide me in my future education choices after high school graduation. Between now and the end of June, I am encouraged to raise at least \$300 for this event. I would be so thankful for any sponsorship gifts that my church family can offer as I continue my faith journey. Please send contributions marked for "Valerie" to the church office . Thank you and God bless!
